REGENERATION

Do you have any comments to make about:

- What areas in Shoreham Harbour do you think could most benefit from streetscape improvements (**refer to board 1**)?
- Do you think that the form and materials of the proposed street furniture and paving should reflect the character of the area where they are installed (**refer to board 2**)?
- What types and styles of street furniture would you like to see in the harbour area? e.g benches, lighting, bins, signage, surfacing etc (**refer to board 3**)?
